Disaster Recover Center opens in Noble

Residents in Norman affected by the recent storms (May 5-31, 2015) may visit the Disaster Recovery Center (DRC) in Cleveland County to get information about disaster assistance that may be available.

The DRC in Cleveland County officially opens Friday, June 5, 2015 at 7 a.m. at Noble High School, 4601 E. Etowah Road, Noble, OK 73068.

Hours: 7 a.m. to 7 p.m. until further notice.

While a visit to the DRC is not required for those applying for federal aid, the center is a one-stop shop where disaster survivors can meet face to face with specialists from the Oklahoma Department of Emergency Management (OEM), the Federal Emergency Management Agency (FEMA) and the U.S. Small Business Administration (SBA).

Disaster assistance may include grants to help pay for temporary housing, home repairs and replacement costs. Low-interest SBA disaster loans may be available to businesses, private non-profit organizations, homeowners and renters for losses not fully compensated by insurance or other recoveries and do not duplicate benefits of other agencies or organizations.

Survivors can apply for state and federal assistance online at www.disasterassistance.gov or via smartphone or web-enabled device at m.fema.gov. People may also call **800-621-FEMA (3362)** or (TTY) **800-462-7585**. Those who use 711-Relay or Video Relay Services can call **800-621-3362** to register.
